

**LANDFILL OPERATIONS ROAD
and
MASS GRADING for CELLS #1 and #2
PROJECT NO. SWMD-09-01**

GENERAL SCOPE OF WORK

1.0 INTENT:

It is the intent of Gershman, Brickner & Bratton, Inc. in its capacity as Receiver for the Solid Waste Management Division of the Department of Public Works to seek bids for the construction of the Landfill Operation Road and Mass Grading for Cells #1 and #2 at Layon, Inarajan, Guam.

2.0 DESCRIPTION OF WORK:

The Project consists of roadway construction, approximately 0.72 miles, from the proposed Landfill administrative site to the Landfill Cells #1 and #2. The work includes mass excavation and embankment for the roadway and Landfill Cells #1 and #2 to subgrade elevations, placing subbase and base courses and asphalt treated base surface course, installation of pipe and drainage appurtenances, construction of a detention pond, and other related work as necessary to make the Project complete and ready for use.

3.0 GENERAL REQUIREMENTS:

All items in this scope of work shall be completed and ready for use upon final acceptance and shall comply with all the provisions governing laws and regulations applicable to Guam. The Contractor shall be responsible in determining and performing the scope of works required based on the Contract plans and specifications.

Building permits and clearances shall be secured by the Contractor from the Department of Public Works and other government agencies, as needed, prior to start of construction.

4.0 CONTRACT TIME:

Contract time is Two Hundred Ten (210) calendar days. The term of this Contract shall commence upon issuance of a Notice to Proceed to the Contractor and continue until the completion of the Contract.

5.0 COMMENCEMENT AND COMPLETION OF WORK:

Construction shall commence upon the issuance of a Notice to Proceed and shall be completed within **Two Hundred Ten (210) calendar days.**

GENERAL SCOPE OF WORK

Landfill Operations Road and Mass Grading for Cells #1 and #2
Project No. SWMD-09-01

6.0 SITE INVESTIGATION:

The Contractor shall verify existing site conditions and all pertinent information needed for the satisfactory performance of the scope of work prior to submitting a bid.

7.0 DISPOSAL:

1. Removal and disposal fees shall be paid by the Contractor.
2. The disposal site shall be a Guam EPA approved hardfill.
