As requested by David Manning, attached is the update on the status of the use of tax credits to compensate the former landowners of the Layon Landfill pursuant to the Judgment issued by the Superior Court of Guam in CV0084-08 on December 10, 2012. To the extent that Mr. Manning's request seeks to identify a particular taxpayer and the amount of tax credits paid or claimed to said taxpayer, the Government asserts that such information is confidential and prohibited from disclosure unless otherwise allowed by federal law.

Thank you.
